**PROTECTIVE GOWNS**

1-PIECE, LEVEL 2 CERTIFIED

**ABOUT**

Made from 3-ply, non-sterile virgin blue plastic polyethylene, these protective gowns are a 1 piece design for easy-on and easy-off. They come perforated on a 200 count roll, for daily use. One size fits all for greater coverage with an open-back design for comfort. Extra-Long sleeves provide full protection.

These protective gowns are intended to be worn by health care personnel to protect both the patient and health care personnel from the transfer of microorganisms, body fluids and particulate matter.
