

AAMI LEVEL 3 GOWN

DISPOSABLE ISOLATION GOWN

ABOUT

This protective gown meets Level 3 standards established by AAMI (The Association for the Advancement of Medical Instrumentation). The gowns passed AATC 42 & AATCC 127 Impact Penetration and Hydrostatic Pressure Tests required to meet Level 3 standards.

These protective gowns are intended to be worn by health care personnel to protect both the patient and health care personnel from the transfer of microorganisms, body fluids and particulate matter.
