

# PPE FACE SHIELD

WITH OPTIONAL CHIN SPLASH PROTECTION

## ABOUT

A Vented foam headband for increased airflow and comfort. Anti-fog, anti-glare polyurethane shield, with elastic headband for comfort, optional chin splash protection available.

Face shields are personal protective equipment devices used in many lines of work (i.e. medical, dental, veterinary) for protection of the facial area from splashes, sprays and spatter of fluids. They are generally not used alone, but in conjunction with other protective equipment.
