

Pro:Centric® Hospitality LED TV with Integrated Pro:Idiom®

Manage your hotel easily and efficiently with the LV560H series, featuring Pro:Centric and Pro:Idiom enabling users to easily configure and/or update guest room TVs via a centralized management system. The LV560H series also delivers crisp, clear images through energy-efficient LED technology, improving the guest room experience.

LV560H

- Integrated Pro:Idiom® Digital Rights Management Technology
- Pro:Centric Application Support
- RJP Compatibility
- External Speaker Out Compatibility (Speaker Sold Separately)
- Commercial Grade Stand

Screen Sizes

32" class (31.5" diagonal), 40" class (39.6" diagonal),
43" class (42.5" diagonal), 49" class (48.5" diagonal),
55" class (54.6" diagonal)

Key Features

Pro:Idiom®

GLOBAL LEADING DIGITAL RIGHTS MANAGEMENT SOLUTION

Pro:Idiom unlocks access to premium content to help ensure rapid and broad deployment of HDTV and other high value digital content.

Pro:Idiom has been designed specifically for users of premium HDTV content from cable, satellite, or video on demand (VOD) services, and is intended to lower costs and reduce maintenance. This leading DRM system is embraced for its security solution, helping to prevent illegal copying of copyrighted content.

Pro:Centric® Application

LG's Pro:Centric Application enhances guests' experience of their in-room hotel TVs. Guests can locate and enjoy available television programming, check on the daily weather and review hotel amenities—all from the comfort of their room using their LG HD TV.

With remote management, individual room visits are no longer required for TV software and TV configuration updates, thereby saving time and labor costs. Updates may be loaded on the Pro:Centric server using the Pro:Centric Admin Client. The Pro:Centric Admin Client also enables users to remotely update the Pro:Centric Application features.

Hospitality Features

Commercial Grade Stand

Expand the range of comfort for guests with a commercial grade stand. This allows guests to watch a TV from any angle. Also, for security purposes, the stand may be secured to its table.

Welcome Screen

Have a warm greeting message with your hotel name and its logo on the TV when it is turned on. The welcome screen provides an inviting, personalized experience for your guests.

Self Diagnostics via USB

The TV stores diagnostic data, which can be saved to a USB memory device, thus enabling service engineers to analyze the data and identify technical issues quickly and easily.

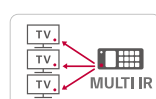

External Speaker Out Compatibility (Speaker Sold Separately)

Enhance the in-room guest experience by adding an external speaker (sold separately) for improved audio performance.

USB Cloning

Clone all commercial TVs with astonishing speed and ease. The USB Cloning feature allows you to simply copy and transfer TV settings from a designated Master TV to all target TVs using a USB memory device.

Multi IR

Multi IR allows for the use of unique IR codes based on "bed number" in a multi-TV single room installation.

Pro:Centric® Hospitality LED TV with Integrated Pro:Idiom®

Pro:Centric acts as a digital concierge. Guests are presented with a branded user interface on the television and can view electronic billboard and map pages that present information on hotel amenities, such as restaurants, bars, fitness and business centers. Guests may also use the interactive Electronic Program Guide (EPG) to select their favorite sitcom or find premium movie channels.

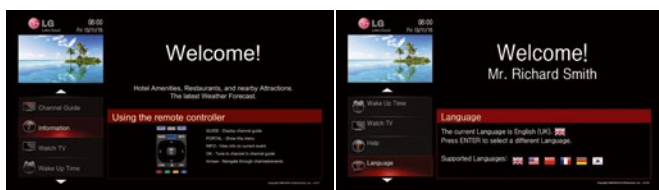

Pro:Centric® APPLICATION PLATFORM

LG's Pro:Centric® Application enhances the hotel guest experience of their In-Room hotel TV. Guests can locate and enjoy available television programming via the no-fee, fully interactive Electronic Program Guide (EPG), check on the daily weather and review available hotel amenities - all from the comfort of their room using their TV remote control.

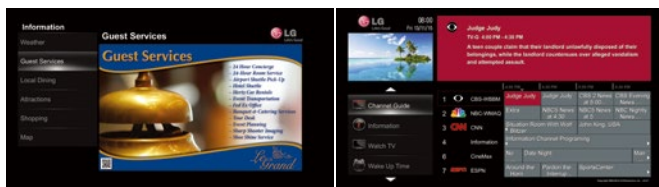

The Pro:Centric system presents guests' with a branded user interface on the television with menus to access and view "electronic billboards," which present information on hotel amenities such as restaurants, bars, fitness and business centers; as well as the interactive EPG to enable guests to select their favorite sitcom or find the premium movie.

FREE INTERACTIVE EPG SERVICE FOR Pro:Centric TVs

PLAN HIGHLIGHTS

If your property has purchased or plans to purchase LG's Pro:Centric TVs, you may qualify for a free EPG that allows guests to easily navigate TV channels and programs, just like they do at home.

Participating properties must purchase and install a Pro:Centric server and supply an internet connection for daily program updates. Properties must also contract with an LG authorized partner to install and program the server to match your Free-To-Guest (FTG) Channel Map.

Free program guide service runs until December 2017, replacing the previous programming fee of \$1.50 per room per month.

Contact your LG sales representative or visit: www.LG.com/us/commercial/display-discover/epg

PCS200S HEAD END SYSTEM

Remote management functions are supported via the Pro:Centric server. The Pro:Centric Application software can be remotely added at a later date to deliver the benefits of LG's Pro:Centric Application features. (Weather, EPG, Billboards, etc)

Hotel Costs For FTG Channel Management

	Estimated Labor Costs	MSRP	Total	Savings over room visit
LG Pro:Centric TV with Pro:Centric Server		\$2,499 (PCS-200S)	\$2,499	\$17,501
Other brand	\$20(est.) x 2 times per year (to update channels) x 100 rooms x 5 years		\$20,000	

MSRP subject to change. Installation not included.

LG's FTG COST EFFECTIVE SOLUTION

When using LG televisions in FTG hotel installations, the Pro:Centric server (PCS200S) supports remote management of TV settings. With remote management, individual room visits are no longer required for TV configuration updates, including FTG Channel Map and FTG Installer Menu settings updates, thereby saving labor costs.
